Re: Attorney Docket Number Correction

To Whom It May Concern:

We recently submitted an SB/81 form to the USPTO. When the Notice of Acceptance of Power of Attorney receipt was received we found that the "Atty. Docket No./Title" was incorrect. Please associate the application number with the correct "Attorney Docket No./Title" as shown below.

<u>Application Number</u>	<u>Atty. Docket No./Title</u>
10/534,956	GTR206-0002

Additionally, please send a corrected filing receipt reflecting this change to customer number 55165. Thank you.

Sincerely,
